## WESTERN AUSTRALIA SHOWCASE EVENT ATTENDEE INFORMATION PACK

The Australian Next Gen Awards were designed as an opportunity to showcase our next generation of young innovators, entrepreneurs, educators and leaders across the country.

Entries were open to all Western Australia primary and high school students featuring six categories to acknowledge young people that are building their 21st-century skills as they work on projects to bring their ideas to life and make an impact in their communities.

With a special focus on our West Australian youth, we are incredibly excited for you to join us in celebrating and recognising the WA Top 10 of the 2024 Next Gen Awards at our Western Australia Showcase Event.

## Order Of Events

### Networking & Nibbles

Once you arrive at the venue, you'll need to check in with a member of the BOP Team at the registration desk. From 5pm - 6pm, there will be some light food & refreshments for you to enjoy.

During this time, you're invited to connect with all guests.

### The Pitches

At 6pm, we will welcome everyone to take their seats. You're welcome to sit wherever you like. However, if you're pitching, we'd recommend finding a spot that provides the easiest access to the stage.

Our MC will welcome everyone to the evening and we'll kick off the night with an opening speaker. From here, we'll begin announcing our showcase pitches. Each pitch will go for approximately 3 -5 minutes and will detail each person's achievements.

We will also have a break halfway through the presentations for some quick speed networking, before finishing with closing remarks.
